

IMPORTANT NOTICE ON NEW RESTRICTIONS
RELATED TO NOVEL CORONAVIRUS

The Japanese government will announce that anyone who has boarded airplanes or ships arriving from the United States of America will be required to stay 14 days at a location designated by the quarantine station chief and are not to use public transportation in Japan.

The above measure will apply to airplanes and ships leaving on Thursday, March 26 at 12:01 AM, Japan local time. It will be valid until the end of April, 2020. This duration may be extended depending on the circumstances.
