#### COVID-19: une chute «brutale» des cas à la fin de l'été en raison de la vaccination?

Au rythme où se déroule la grande campagne de vaccination du Québec, la province pourrait enregistrer une baisse dramatique de cas de COVID-19 à la fin de l'été ou à l'automne, croit Denis Leclerc, chercheur en infectiologie à l'Université Laval. <https://www.journaldemontreal.com/2021/03/23/covid-19-une-chute-brutale-des-cas-a-la-fin-de-lete-en-raison-de-la-vaccination>

#### Hausse fulgurante des cas de COVID-19 au Saguenay–Lac-Saint-Jean

Les cas de COVID-19 explosent au Saguenay–Lac-Saint-Jean. La région en zone orange affiche le 3<sup>e</sup> pire bilan au Québec, après Laval et Montréal. Dans le secteur de Roberval, le taux de cas actifs pour 100 000 habitants atteint même 423. <https://www.ledevoir.com/societe/sante/597438/hausse-fulgurante-des-cas-au-saguenay-lac-saint-jean>

#### Number of Quebecers waiting more than a year for surgery more than quadruples

And the number of cancer surgery patients waiting longer than 57 days increased from 10.3 per cent last year to 14 per cent in January. Specifically, that means that at least 441 cancer patients across Quebec didn't get their surgery done within two months. <https://montrealgazette.com/news/local-news/analysis-number-of-quebecers-waiting-more-than-a-year-for-surgery-more-than-quadruples>

#### Eastern Health blames software after thousands allowed to book early vaccine appointments

A problem with Eastern Health's COVID-19 vaccination appointment booking system has allowed about 2,800 people to schedule appointments ahead of schedule, according to the health authority.

### **P.E.I.'s summer tourism season to be mostly Atlantic Canada again, says Morrison**

There will likely be fewer pandemic restrictions on P.E.I. this summer than there were last year, but Chief Public Health Officer Dr. Heather Morrison does not expect to see a full opening of provincial borders.

Morrison said she will be considering adjustments to travel restrictions based on whether travellers have been vaccinated, and said she expects to announce details on that in early April.
